

S2S 2025 Application Process for Endurance Specialty Clinical Experience

Athletico Physical Therapy is proud to offer a Specialty Clinical Experience in the field of Endurance through our Student to Specialist program, S2S. A limited number of placements are available for DPT students completing their final clinical experience. This experience is primarily Outpatient Orthopedics with 5-20% of the caseload offering exposure to patients of the endurance athlete population. Selected students will be placed with a Clinical Instructor who specializes in treating endurance athletes and performing Video Gait and Running Analysis. Students will treat the general orthopedic population, but will have exposure to runners, cyclists, swimmers, triathletes, adventure racers, rowers, and ultra-marathoners. The student and clinical instructor may be giving lectures or providing coverage at endurance events. This is a specialty rotation, and an application is required.

Requirements:

- Application items to upload:**
 - Resume
 - Letter of Intent
 - Letter of Recommendation from a faculty member
 - Completed DCE Acknowledgement Form
- Final Clinical Experience for 2025
- Strong Orthopedic background
- Exemplary professional behavior and communication skills

Interested applicants should submit their application packet electronically at this link by April 8, 2024. [Click here to Apply](#)

Applications will be reviewed by Athletico's Student Clinical Education Team. Top applicants will undergo a virtual interview in May/June and final decisions will be announced by June 28, 2024. This is a competitive application process. Athletico Physical Therapy has limited Endurance Specialty rotations available.

Terms:

- Final clinical experience is defined as a terminal experience immediately preceding graduation.
- Athletico Physical Therapy will accept applications from academic programs which we do not currently hold a contract with. If the applicant is chosen, Athletico will execute a one-time contract.
- If an applicant does not receive an Endurance Specialty Clinical, they may still be considered for a general outpatient orthopedic placement at the request of the DCE.

Deadline for Applications: April 8, 2024
Decisions will be announced by: June 28, 2024

The Athletico team is excited that your student has elected to apply for a specialty clinical experience with us in 2025. As the DCE, we want to be certain you are aware of the student's application and Athletico's timeline. Please discuss with the student, their top geographic choices based upon the options available in the application. Applications are due by April 8, 2024. The top candidates will have a virtual interview in May or early June. Final decisions will be sent via email by June 28, 2024. You will be cc'd on all correspondence between Athletico and the student throughout the process.

If a student is not selected for a specialty experience, they may still be considered for a general outpatient orthopedic placement at your request. Athletico will gladly assess availability for a general outpatient placement based upon the student's desired geographical location.

If you have any questions regarding Athletico's Student to Specialist clinical experiences, please contact clinicaleducation@athletico.com. Thank you for assisting your student with this application process.

Please return this acknowledgement form to the applicant. The applicant will submit this form with their other materials electronically as one application packet.
