

## 2026 Application Process for Pelvic Health Specialty Clinical Experience

Athletico Physical Therapy is proud to offer a Specialty Clinical Experience through the Pelvic Health Program. A limited number of placements are available for DPT students completing their final clinical rotation. Selected applicants will be placed with a Clinical Instructor who specializes in treating Pelvic Health. This rotation may be a mix of Outpatient Orthopedics and Pelvic Health based upon the Clinical Instructor's caseload. Students will treat the general orthopedic population, along with patients with diagnoses of chronic pelvic pain, urinary incontinence, bowel disorders, pregnancy/postpartum, breast health, and bone health. This is a specialty rotation, and an application is required.

### Requirements:

- Application items to upload:**
  - Resume
  - Letter of Intent
  - Letter of Recommendation from a faculty member
  - Completed DCE Acknowledgement Form
- Final Clinical Experience for 2026
- Strong Orthopedic background
- Exemplary professional behavior and communication skills
- Selected applicants will be required to attend a Level 1 Pelvic Health course and submit a certificate of completion prior to the start of this clinical experience. Course options include Herman and Wallace Pelvic Floor level 1 (10% student discount when registering with code Student2025), APTA's Academy of Pelvic Health Level 1, or a university Pelvic Health elective that includes instruction in internal pelvic examination, as approved by Athletico's Student Clinical Education team. See links below for future course dates:

The Athletico team is excited that your student has elected to apply for a specialty clinical experience with us in 2026. As the DCE, we want to be certain you are aware of the student's application and Athletico's timeline. Please discuss with the student their top geographic choices based upon the options available in the application. Pelvic Health applications are due by March 14, 2025. The top candidates will have a virtual interview in March/April. Final decisions will be sent via email by May 16, 2025. You will be cc'd on all correspondence between Athletico and the student throughout the process.

If a student is not selected for a specialty experience, they may still be considered for a general outpatient orthopedic placement at your request. Athletico will gladly assess availability for a general outpatient placement based upon the student's desired geographical location.

If you have any questions regarding Athletico's Student to Specialist clinical experiences, please contact [clinicaleducation@athletico.com](mailto:clinicaleducation@athletico.com). Thank you for assisting your student with this application process.

**Please return this acknowledgement form to the applicant. The applicant will submit this form with their other materials electronically as one application packet.**
